Research To Be Discussed By Manuscribers

Charles Hillinger, Los Angeles Times reporter and author of the non-fiction book, "California Islands," and John Perkins, city librarian of Redondo Beach, will share a program on "Research in Writing" at a meeting of Southwest Manuscribers to be held at 8 p.m. Friday at Clark Stadium, 861 Valley Drive, Hermosa Beach.

Hillinger, who visited all eight of the Channel Islands to gather firsthand information on their history and characteristics, will talk on "Legwork in Research." In addition to his book, which grew out of a series of articles for the Times, Hillinger is known for his Times dispatches from Central America in 1957 featuring interviews with Latin American presidents and dictators.

Perkins' topic will be "The Library in Research," with emphasis on reference tools. His background includes five years on the library staff at the University of California, Berkeley; Technical and Information Service of the Air Force; and the Diplomatic Service in Naples as staff officer in the Cultural Division.

Ralph Scholl, new president of Southwest Manuscribers, will officiate. He will introduce his staff: Betty Rink, program chairman; Frances Grace, re-elected press chairman; Beryl Cook, secretary; Manville Chapman, treasurer, and Lula Messall, hospitality chairman.

Southwest Manuscribers meets the third Friday of the month at Clark Stadium and is open to both beginning and professional writers, according to Scholl.

Deadline Nears On Wage Reorts

Monday, Feb. 2, is the deadline for filing California Unemployment Insurance wage reports and contribution returns for the fourth quarter of 1958. T. D. Weld, auditor in charge of the State Department of Employment in Long Beach, today reminded employers.

Mr. Weld pointed out that employers who become delinquent may not be allowed full tax credit offset against their federal unemployment tax if they are also subject to that law. This risk is in addition to the penalty and interest which will be added to their state tax.
